Текст №1

A New Job

Twelve months ago Robin Tucker left his job as a salesman. Now he has a restaurant.

Robin lived in London and had a job there. But he decided it would be difficult to open a restaurant in such a big city. So he chose Brighton, because he knew it from the years of his childhood.

Robin found an empty building in a nice old street. The house was very old, but other buildings were expensive and he didn't have much money.

Robin loves his new work. He has found a good cook. Robin himself gets up at 6 am and often goes to bed after midnight. He enjoys talking to people who come to his restaurant and some of them have become his good friends.

Robin's restaurant is going very well and he could take a long journey. But he doesn't want to do it. Now he has a new idea to open a supermarket selling food from around the world.

Answer the questions:

1. When did Robin Tucker leave his job as a salesman?
2. Where did he live?
3. Why did he choose Brighton?
4. When does Robin get up?
5. What is his new idea?
